LESSON 1 GOD LOVES YOU Unit 1: God's Love and Grace

"For God so loved the world that He gave His only Son." — John 3:16

LESSON OVERVIEW

Have you ever received a gift so special that it took your breath away? God gave the whole world the most precious gift He had: His Son, Jesus. That is how much He loves YOU.

God's love is not like people's love. People sometimes love us more on good days and less on bad ones. God's love never changes. It is the same yesterday, today and forever.

Today we are going to discover what real love looks like in action, and how we can share that same love with the people around us.

Lesson Aim: Children will understand that God's love is unconditional, extravagant and freely given.

Key Truth: God loves me more than I can imagine. That love is the source of every good thing I have.

Teacher's Note: Read this lesson with full expression and energy! Pause at dramatic moments. Ask the children: "What do you think happens next?" before revealing the story's next turn. Write the Key Truth on the board. Have the class say it together three times before you begin.

STORY TIME: Nelson and Jimmy Share the Last Biscuit

Nelson had exactly one biscuit left in his lunch box. He was very hungry. The kind of hungry where your tummy makes embarrassing sounds in class.

He picked it up, ready to eat it. Then he looked across the room.

Jimmy sat there staring at the empty space on his desk. He had forgotten his lunch at home. His face was the picture of sadness.

Something deep inside Nelson whispered: give it to him.

So Nelson did something extraordinary. He walked over to Jimmy, broke his last biscuit in half and placed the bigger piece in front of his friend.

Jimmy looked up, totally shocked. Then the most wonderful smile spread across his face.

Three minutes later, their teacher Mrs. Adeyemi walked in carrying a full plate of food from the staff room. She had been watching.

Children, God works exactly like that. When you give your best, He never lets you go without. Nelson modelled the love of God without even knowing it.
